

Winter Clothing Ideas

Get ideas on how to layer and pair your clothes to have the best look possible!

Outfit #1 Idea

- Go ahead and pick out a pair of your favorite jeans or leggings.
- Next pick out your favorite boots or flats you wanna pair with your pants
- While trying to pick out a nice warm blouse or sweater try to find something that goes with your shoes
- Once thats complete you can choose to be done or you can add an extra layer. Like a warm flannel, scarf, or just a jacket.
- Your outfit should be similar to the outfit in the picture or at least the same idea

Notes

- A good place to start your outfit is at the bottom and work your way up to the top of the outfit
- You don't have to copy what the picture above shows you.
- Use your own clothes you already have.
- Be you!!
